A MESSAGE FROM GOVERNOR MARTIN O'MALLEY

Dear Friends,

It is my pleasure to welcome you to the 2011 Ride for Life sponsored by the Potomac Valley Dressage Association.

Throughout Maryland's great revolutionary history, the hardworking people of our state have come together to build stronger, more resilient communities. This year's premier dressage show not only exemplifies our state's beautiful horses and accomplished riders, but funds the quality of life and breast cancer research at the Johns Hopkins Avon Foundation Breast Cancer Center. Such a combination of service and celebration reminds us of the joy and appreciation of serving those in need.

In these challenging economic times, it is more important than ever to support the foundations that are dedicated to the health and well-being of our families and friends. Thank you for reminding us that each individual can make a difference and each of us must try.

On behalf of Our One Maryland, I commend the Potomac Valley Dressage Association for their attention to the needs of our community, and to all of today's riders I wish you the best of luck.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin O'Malley".
