

PVDA Sponsored Clinic with Vitor Silva (Sons of the Wind School of Equestrian Arts)

ABOUT VITOR SILVA

Vitor's training and teaching is grounded in his philosophy that the best teachers are the horses. Whether from in-hand work, undersaddle or on long-lines, Vitor teaches his students that while masters or trainers can share their knowledge and explain the technical aspects of riding, each rider must open themselves to feel the horse's movements, responses and needs. Ultimately, Vitor strives to develop this intuitive feeling in his students so that harmony between horse and rider can be achieved. (courtesy Sons of the Wind)
