SCHOOLING SHOW RULES

1. PVDA Schooling shows are open to current members only. Entries must include a copy of your PVDA membership card and be certified with member/guardian signature to be accepted. (Check www.pvda.org or contact Membership Chairperson Shari Packard at 301-498-4972 if you have questions about your membership status.) If an entry is received without a copy of the membership card, the card must be presented to the Schooling Show manager on the day of the show or the member will not be permitted to ride. There are no exceptions to this rule.
2. All Schooling Shows offer current USDF Introductory Level through FEI level classes, as well as Dressage Seat Equitation. Musical kürs, pas de deux and quadrille are offered at all levels. Riders are responsible for providing all necessary musical equipment. The pas de deux and quadrille may be ridden with or without music. Special tests (i.e., USCTA tests, Pony Club tests) may be ridden hors concours. PVDA does not provide these special tests and the competitor must supply the test to the schooling show manager upon arrival at the show grounds.
3. The same horse/rider combination may enter and ride the same test twice but only the first ride will count toward placing in the class and in the PVDA Schooling Show Year End Awards. The second ride must be ridden hors concours unless a scratch can be filled in another arena in front of a different judge. No rider may compete in classes before a judge from whom they have received instruction or coaching (with or without pay) within 30 days of the date of the show. Riding hors concours before that judge is permitted.
4. An entry form for schooling shows is enclosed. (Additional copies may be made.) Complete the form specifying which tests you would like to ride and enclose a stamped, self-addressed envelope in order to receive your ride times. All completed entries received by the closing date and accompanied by a stamped, self-addressed envelope will be acknowledged by the show manager. Entries must not be postmarked before the opening day of the show. Entries postmarked before opening day will not be accepted. Entries with incorrect information or insufficient documentation will be accepted at the show manager's discretion. Telephone entries will not be accepted. Entries will be permitted to be submitted on-line. See www.pvda.org for details.
5. As many entrants as possible will be accommodated at each show; therefore, entries may be limited to two (2) rides per horse/rider combination, if necessary. In the interest of time, lower level tests may be scheduled in a small arena.
6. In the case of over-subscription of a schooling show: No preference will be accorded for entries received earlier than other entries when a show is oversubscribed; all entries postmarked on or after the opening date and received by the closing date will be treated the same. Members who submit an entry which includes an original white copy or a photocopy of said original designating 8 hours of PVDA volunteer service from the prior or current year will be given placement priority. A lottery will be conducted from the remaining entries to randomly and anonymously select entries to fill the show. The manager will conduct this lottery after the closing date, at which time classes will be formed. All entries without the volunteer slips that are postmarked on or after the opening date and received by the closing date will be eligible for the lottery. If the number of entries received with volunteer slips exceeds the show capacity, they will enter the lottery, but entries without slips will not.
7. Entries are not considered complete without the following:

- Completed 2009 entry form
- Rider's and owner's signatures (parent/guardian signature if rider is under 21)
- Full payment of fees
- Copy of 2009 membership card
- Copy of negative Coggins test dated within one (1) year of the show date
- Self-addressed, stamped envelope

Complete entries will take precedence over incomplete entries for scheduling and waiting list purposes.

8. Entry fees are \$20 per ride for all schooling shows. For any changes requested after the closing date, a \$5 handling fee per change will be charged. A fee of \$25 will be assessed for any returned check. This fee, along with the entry fees, must then be paid by cash, certified check, or money order before further entries will be accepted for schooling shows. Failure may be subject to revocation of PVDA membership.
9. Entry fees of horses entered but withdrawn prior to the closing date will be refunded in full. There will be no refunds for entries withdrawn after the closing date even if the time slot is filled from the waiting list. Members may not create their own waiting lists and replace riders without consent of the show manager. It is the sole responsibility of the show manager to fill scratches.
10. The Schooling Show Committee may change or substitute judges as necessary. Changes in show dates or locations will be announced in the PVDA Newsletter (check the Calendar of Events in each issue) and at www.pvda.org. In the case of unforeseen circumstances (i.e., heavy rain) a show date may be canceled/rescheduled on short notice at the sole discretion of the facility owner and/or the show manager. If the competitor is unable to show on the rescheduled date, entry fees will be refunded in full.
11. One of the purposes of Schooling Shows is to prepare the horse and rider for recognized competitions. USEF rules and regulations are enforced as closely as possible. The USEF Rule Book is available at <http://www.usef.org/contentpage2.aspx?id=rulebook> and all USDF and USEF dressage tests are posted on the PVDA web site at <http://www.pvda.org/Dressage%20Tests/Forms/AllItems.aspx>.
12. In the event of a tie (equality of total points), the collective marks will determine first, second and/or third places (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks) occurring in 3rd-6th place will remain unbroken.
13. PVDA schooling show attire: PVDA follows the guidelines for show attire as outlined by the USEF. It is hoped that all competitors take pride in their turnouts when they compete. As schooling shows are designed to be low-pressure competitions, the dress code is slightly altered. Show coats are not required. A white riding shirt or short/long-sleeved polo shirt is permissible. Sleeveless shirts or T-shirts are not allowed. **Riders through First Level may wear half-chaps, gaiters or leggings in solid black or brown, without fringe, matching the color of their boots, and made of smooth leather or leather-like material (USEF DR120-1 31 Dec 08).** Horses need not be braided.
14. If you intend to bring a young horse to expose it to a show environment without competing, you must clear this with the show manager prior to the show date. The decision will rest with the show manager. If permitted, you must have your current PVDA membership card and a current negative Coggins test with you at the show grounds to present when you arrive at the show grounds.

15. General safety practices are to be observed at all times. Do not leave your horse unattended at the trailer at any time. Dogs and other pets are not permitted on schooling show grounds at any time. You will be held liable for their interference and asked to remove them.
16. Neither PVDA nor the landowner will be held responsible for any injury, damage, or loss to exhibitors, spectators, horses, or property of exhibitors or spectators.
17. Failure to comply with show regulations may result in loss of privileges.

SCHOOLING SHOW ETIQUETTE

1. Be courteous to fellow competitors and show volunteers.
2. Do not lunge horses in the middle of warm up areas; instead, use out of the way areas and yield to riders preparing to ride their tests.
3. Pass left shoulder to left shoulder in the warm up area and yield to those traveling at faster gaits.
4. Leave your trailer site clean. Pick up trash and manure before leaving.
5. Remember that sites are donated by property owners. Do not do anything that may result in damage to their property.

PVDA strongly encourages everyone to wear protective head gear when mounted.

DRESSAGE SEAT EQUITATION

1. This class will be offered at all PVDA Schooling Shows.
2. Equitation Class regulations per USEF are in USEF DR132 Dressage Seat Equitation
3. Dressage Seat Equitation classes may be offered for Juniors, Young Riders, Adult Amateurs and/or Open riders according to the following specifications:
 - Medium walk, working trot and canter both ways of the ring must be performed. The rider's position, seat and specifically the correct use and effect of the aids required by the Training and First Level Dressage tests are to be judged.
 - The movements shall be performed by the exhibitors simultaneously; however, the judge may ask for independent tests.
 - No change of horses shall be required.
 - Whips and spurs are allowed. Horses shall be shown in plain snaffle.

HOLD HARMLESS CLAUSE

Understanding that horse sports may be hazardous and dangerous, even leading to permanent injury or death, each owner, rider, spectator, and other participant assumes any and all risk of loss or injury and agrees to hold harmless, regardless of negligent acts or omissions, the Potomac Valley Dressage Association, Inc., organizer, show committee, and all horse show personnel.

UNPAID COMPETITOR DEBTS

THE POTOMAC VALLEY DRESSAGE ASSOCIATION, INC. AND ITS SHOW COMMITTEE WILL NOT BE RESPONSIBLE FOR BILLS AND OUTSTANDING DEBTS OF COMPETITORS.

 - **Classes 11 and 12 (Second Level and Above TOC).** Riders on a team may each ride a different test at Second through Fourth Levels. The warm-up ride will be the next lower test, i.e., Second 1 would be lowest warm-up ride and Second 2 would be the lowest Challenge Ride.
 - **Class 14 (1st through 4th Level MFS).** A team may consist of two to four individual freestyles; the freestyles may be at different levels from First through Fourth Levels.
 - **Class 16 (Pas de Deux and Quadrille).** Any combination of Quadrille and Pas de Deux entries from one to four will be considered a team; different level Quadrille and Pas de Deux tests may be ridden.
2. Determination of who rides on the teams is at the discretion of the Chapter. Every chapter member has the right to participate in this team competition, and no distinction is made between amateur, novice, or professional.
3. Only one team per Chapter per Challenge Class is allowed. See definition of Freestyle, Quadrille and Pas de Deux teams above.
4. The same horse/rider combination may only ride in one Challenge Class plus Class 14 (Musical Freestyle) and Class 16 (Pas de Deux and Quadrille) at the same level or one level lower or higher. The horse or the rider in a different combination (another horse or rider combination) may compete in another challenge class.
5. The three highest scores of each team in a Challenge Class will be added together to determine the placing of the Challenge Classes, with the exception of Class 14 (Musical Freestyle) and Class 16 (Pas de Deux and Quadrille). In these classes, if there are four entries on a team, the lowest score is dropped and the remaining scores averaged; otherwise, all scores for a team in these classes are averaged.
6. Warm-up class scores do not count toward the Challenge awards. There is no requirement to ride in a warm-up class.
7. Scores do not count toward PVDA Annual High Score Awards.
8. **This competition is not recognized by USEF or USDF; however, USEF rules will be in effect at this competition as at any PVDA Schooling Show.**
9. For their entries to be accepted, each chapter must supply the show with a minimum of one volunteer per team. The Chapter Chair should contact the Entry Secretary with volunteer names and telephone numbers by the closing date. Chapter Chairs can also contact the Show Manager to sign up for pre-show volunteer jobs well in advance.
10. Setting up and taking down the rings (before and after the show) each count as two volunteers.

CHAPTER CHALLENGE ENTRY FEES

All classes (Warm up and Challenge) are \$25.00 per ride. The Pas De Deux and Quadrille class entry fees are \$15.00 per horse and rider combination.

RIDER ACHIEVEMENT AWARDS

PVDA's Rider Achievement Program recognizes rider scores earned at either schooling or recognized shows, with attractive pins for each of four levels. There are separate awards for schooling and recognized show scores – you can't mix the two. For the schooling show awards, scores must be earned at PVDA schooling shows (not chapter shows). For the recognized show award program, scores can come from any recognized dressage show. In either program, 4 scores are required at the level as follows: USDF Intro 65%, Training Level 63%, First Level 62%, Second Level 60%. You can take as long as you like to earn the award(s), ride different horses, and can earn awards at as many levels as you like, as long as you are a PVDA member at the time the score was earned. The program started with scores earned in 2005. Full details are below.

- PVDA Rider Achievement awards are given to riders who achieve qualifying scores at Introductory Level, Training Level, First Level, or Second Level.
- Separate awards will be given for scores earned at schooling shows and at recognized shows. The Rider Achievement award may be earned once per level per rider for schooling shows, and once per level per rider for recognized shows. This is a rider award. Scores received with different horses may be submitted (different horses, same rider).
- Scores from PVDA schooling shows or from any recognized dressage show may be used. For each level, four scores must be submitted. The scores must have been earned under at least three different judges and from at least two different shows. All scores must be from at least an "L" judge in order to qualify.
- Qualifying scores are as follows:
 - USDF Introductory Level - 65%
 - USEF Training Level - 63%
 - USEF First Level - 62%
 - USEF Second Level - 60%
- This award program was begun on January 1, 2005. All scores must be earned subsequent to that date. Scores from several different competitive years may be used, as long as the rider was a paid PVDA member in good standing at the time the score was earned. If a rider joins PVDA midway through the year, any scores earned previous to his or her membership date (or during a lapsed period of membership) will NOT be considered qualifying scores.
- The rider/member is solely responsible for reporting these scores to the awards chairman. Scores must be reported by sending a Rider Achievement Award Score Report form plus a copy of your test (don't send original tests please). Riders are encouraged to collect all scores for a given competition year and then send their tests and Score Report Form. PLEASE NOTE: you may collect scores over as many years as you wish, but in order to facilitate verifying that you were a member when the scores were earned, you need to send in each year's scores at the end of that year. For score submission form (PDF format) visit the PVDA website, click on Programs, then click on Awards
